God's Word For The Week

"At that time Jesus said, "I praise you, Father, Lord of heaven and earth, because you have hidden these things from the wise and learned, and revealed them to little

children. Yes, Father, for this was your good pleasure. "All things have been committed to me by my Father. No one knows the Son except the Father, and no one knows the Father except the Son and those to whom the Son chooses to reveal him. "Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light." (Matthew 11:25-30)

How About A Hug?

Did you know that hugging is healthy? Really it is. It helps our body's immune system. It keeps us healthier and cures depression. It also reduces stress and induces sleep. It is invigorating and rejuvenating. It also has no unpleasant side effects, and well, hugging is nothing less than a miracle drug!

Hugging is all natural. That's right for it's totally organic and part of God's creation. Being naturally sweet while having no pesticides or preservatives. Also it contains no artificial ingredients and is 100 % wholesome!

Hugging is practically perfect! There are no moving parts, no batteries to wear out, and no periodic checkups are required! It is a low user of energy while at the same time is a high producer of the same. It is inflation proof and here is a factor I really like, it is non fattening! There are also some financial benefits because hugging has no monthly payments nor insurance requirements. It is also theft proof, non-taxable, non-polluting, and of course it is fully returnable.

When you were young was your family composed of huggers? Mine was not, but then most of us are usually a product of how we were raised. The word "hug, hugging, or hugger" is not found in most versions of the bible but a couple use it in Job 24:8 which has nothing to do with embracing another person.

Was Jesus a hugger? It is my opinion that He was? Why you might ask? Because He loved people! There is a scene in Matthew 19 that points out something about the nature of the Master with people. In verse 13 we read, "Then little children were brought to Jesus for him to place his hands on them and pray for them. But the disciples rebuked those who brought them." Now I suspect that when Jesus was asked "to place his hands on them and pray for them" it was in the form of a hug. Children love to hug and be hugged. When the disciples rebuked the parents for bringing their kids to Jesus, what did the Master do and why? "Jesus said, "Let the little children come to me, and do not hinder them" Why? Please read on, "for the kingdom of heaven belongs to such as these." We need to be loving people, and we need to do it in every way just as Jesus did!

Shalom, Harold
