God’s Word For The Week

“Finally, be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil’s schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual

forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints.”

One At A Time!

A man was walking along a deserted beach at sunset. As he continued his stroll he saw another person in the distance and noticed that he was doing something odd. The man kept leaning down, picking something up and was throwing it out into the water. Time and again he kept hurling things out into the ocean.

As he got closer to the man, he noticed that the man was picking up starfish that had been washed up on the beach and, one at a time was throwing them back into the water. The man was puzzled and approached the man and said, "Good evening, friend. I was wondering, what are you doing?" "I am throwing these starfish back into the ocean. You see, it is low tide right now and all of these starfish have been washed up onto the shore. If I don't throw them back into the sea, they will die here without oxygen."

"I understand," the American tourist replied, "but there must be thousands of starfish on this beach. You cannot possibly get to all of them. There are simply too many. Don't you realize this is happening on hundreds of beaches up and down this coast? Can't you see that you cannot possibly make a difference?" The local man smiled, bent down, picked up yet another starfish and as he threw it back into the sea, he replied, "it will make a difference to that one!"

I have read that story many times from the book "Chicken Soup For The Soul" and it grabs my attention every time causing me to never give up on trying to reach people for Jesus Christ. I am not all that big on statistics or keeping records of the folks I have been privileged to share the Lord with, but over the years it has been quite a few. How many of those obeyed the gospel and how many rejected it?

I really don't know but one of my teachers, Bob Danklefsen was a real numbers guy as well as an active teacher of Jesus to all who would listen. I asked him the above question once about the ratio of those he taught and those who obeyed. His response was an eye opener. He said it calculates out to be about one person baptized into Christ for every ten taught! My response was about like the tourist in the above true story. "What is the point then Bob?" He smiled and said, "the point is that there will be one more person in heaven and one less in hell!" Besides the seed had been planted and it may take root and grow later in their lives!

Why don't you and I agree to teach as many as we can for as long as we can? It will make a great difference to those who decide to make Jesus Christ the Lord of their lives and obey the gospel. Shalom, Harold
