God’s Word For The Week

“Now when I went to Troas to preach

the gospel of Christ and found that the Lord had opened a door for me, I still had no peace of mind, because I did not find my brother Titus there. So I said good-by to them and went on to Macedonia. But thanks be to God, who always leads us in triumphal procession in Christ and through us spreads everywhere the fragrance of the knowledge of him. For we are to God the aroma of Christ among those who are being saved and those who are perishing. To the one we are the smell of death; to the other, the fragrance of life. And who is equal to such a task? Unlike so many, we do not peddle the word of God for profit. On the contrary, in Christ we speak before God with sincerity, like men sent from God..”

Keep Your Knife Sharp!

Do you carry a pocketknife? Security concerns have made it a little more difficult to carry even a small pocketknife. I always carry one when and where I can because I've always loved the usefulness of knives. They can be very handy. There was a guy named Bobby who was single, in his early forties, and he was left completely blind following a tragic accident. He was what some might refer to as a character. One year he at a community activity Bobby wanted to sit in the dunking booth. You know what those are don't you?

He sat on the platform above a large container of water and waited for festival-goers to toss baseballs at the target. When hit, the target would throw a switch and Bobby would fall into the water. In order to prevent disorientation, Bobby tied a thin rope from his waist to the side of the tank. All seemed well till the first dunk. Bobby flailed to the surface gasping and choking! His rope had become tangled round his neck, and disaster seemed imminent. Fortunately, someone remembered they had their trusty pocketknife. The rope was cut and Bobby was freed. The knife was a Schrade "Oldtimer." Some of you may have heard of it.

Pocket knives all have two things in common. First, they must serve a purpose or they are useless. Second, they all have an "edge." They must be kept sharp. After many years trying to preach share the gospel, I realized something. I am an Old Timer! You may be one as well. The same two principles of usefulness apply to us as Christians if we are going to effectively serve God.

First, we must serve God's Purpose for us. How are we useful to God? How can we know His will for us? Here are a few things from the Word of God that we might think about. Do all things to His Glory (1 Corinthians 10:31). Bring others to Jesus (Matthew 28:18-20). Build one another up (Ephesians 4:13). We must serve God's Purpose for us. Help others in Jesus' name (Matthew 10:42)

Second, God also has special and specific plans for each of us. (Psalm 139:13-16) He wants to use us in His service with our own special gifts, talents, personalities, and relationships. Each day is an adventure of discovery as He reveals His special plans for us as we live through the struggles, challenges, opportunities, joys, and sorrows of our lives.

Finally, we need to keep our edge or we become dull and can't really serve His purpose. We stay sharp by letting His Word sharpen us each day (Hebrews 4:12), by the sharpening of others through genuine relationship (Proverbs 27:17), and by devoting ourselves to prayer and service to Him each day. That is the way we should strive to live! There's nothing better. No matter what age you are, make it your goal to become an Old Timer in His Service.
